

Zoom Teaching Newborn Care Royal Hospital for Women, Sydney, Australia

Program 28 April 2022

Happy New Year everyone!

Some of us still can't dust off our passports but that doesn't mean we cannot keep learning!

We are therefore very excited to present a limited series on care of the tiny baby (birthweight <500g) who present a unique challenge to modern neonatology.

world. Lecture, speaker photos and profiles (if available) are in hyperlinks.

Participation is free via zoom, meeting details are in the program below and please feel free to send to your friends and colleagues

Please send questions/suggestions prior to the talk to Ju Lee Oei (j.oei@unsw.edu.au) if there are any burning queries for the speakers.
