ISUM : Indonesian Society of Ultrasound in Medicine

Dr. H. Sidharta
Councilor AFSUMB

Established in 1982 by a group of dedicated physicians. ISUM has now become the only official ultrasound society in Indonesia. It is well recognized by the Ministry of Health and well accepted by other medical professional societies.

In the same year ISUM organized its first congress which was attended by many physicians which showed their interest in the field of Ultrasound.

In the years that follow, ISUM organized scientific meetings to popularize as well as to answer the curiosities that grew in the medical society.

The ISUM National Congress is organized every 3 years for education, scientific papers presentations and society conference purposes as well.

In 1985, ISUM together with several Asian Ultrasound Societies Established the Asian Federation Of Societies for Ultrasound in Medicine and Biology (AFSUMB) and in the year 1989 hosted the 2nd Congress of AFSUMB in Bali – Indonesia.

Since 1990 ISUM have been organizing the yearly scientific meetings and workshops. In such meetings foreign speakers are invited for exchange of knowledge and extend friendships to other countries.

Considering that education is important, ISUM has established "Usaha Sarana Gahari – Ultrasound Training and Educational Institute", that covers the basic, intermediate, advance and special classes.

This institute is affiliated to The Jefferson Ultrasound Research and Educational Institute of Thomas Jefferson University, Philadelphia, USA.

In January 2006, ISUM supported by WFUMB had organized a "Training for Trainers" meeting in Jakarta.

ISUM hosted AFSUMB workshops in the year 2010 and 2011 in Jakarta which were attended by around 150-200 participants.

In the year 2011 ISUM was declared as a WFUMB Center of Excellence. Since then yearly scientific seminars were organized in Jakarta and in Bali. Which were attended by around 200 participants.

In the year 2012, ISUM was chosen to host the 10th Congress of AFSUMB held in Kuta, Bali. 500 physicians attended this precious meeting, from almost all parts of the world. Please refer to a special report on this matter.

WELCOME MESSAGE

Dear Colleague,

The Indonesian Society of Ultrasound in Medicine (ISUM) proudly welcome you to the 10th Congress of Asian Federation of Societies for Ultrasound in Medicine and Biology (AFSUMB) that will be held in Kuta Beach, Bali, Indonesia in the month of November 2012.

Back to the year 1985, in Sidney during the Congress of World Federation for Ultrasound in Medicine and Biology, Indonesia/ISUM was one of the Asian countries that establish AFSUMB. In the year 1989 ISUM hosted the 2nd Congress of AFSUMB in Bali. So Bali will become a memorable and historical place for AFSUMB.

World known Ultrasound Experts from all over the world will be invited to lecture and share their vast experiences in updated knowledge in Ultrasound to make the scientific event unforgettable and full of messages for all of you to bring home.

Bali, Island of the Gods with its beautiful Kuta Beach is waiting for you for a healthy and beautiful break. Bring along your beloved family to Bali that will served you with good arrangements and scenery, you couldn't find similar at any other place in the world.

We are waiting all of you to join the 10th Congress of AFSUMB 2012 that we're trying to make it the best you ever have

See you all in Bali

WELCOME MESSAGE _____

Dear Colleague,

The Indonesian Society of Ultrasound in Medicine (ISUM) proudly welcome you to the 10th Congress of Asian Federation of Societies for Ultrasound in Medicine and Biology (AFSUMB) that will be held in Kuta Beach, Bali, Indonesia in the month of November 2012.

Back to the year 1985, in Sidney during the Congress of World Federation for Ultrasound in Medicine and Biology, Indonesia/ISUM was one of the Asian countries that establish AFSUMB. In the year 1989 ISUM hosted the 2nd Congress of AFSUMB in Bali. So Bali will become a memorable and historical place for AFSUMB.

World known Ultrasound Experts from all over the world will be invited to lecture and share their vast experiences in updated knowledge in Ultrasound to make the scientific event unforgettable and full of messages for all of you to bring home.

Bali, Island of the Gods with its beautiful Kuta Beach is waiting for you for a healthy and beautiful break. Bring along your beloved family to Bali that will served you with good arrangements and scenery, you couldn't find similar at any other place in the world.

We are waiting all of you to join the 10th Congress of AFSUMB 2012 that we're trying to make it the best you ever have

See you all in Bali
