## **“LEADING EDGE ULTRASONOGRAPHY”**

A Joint Ultrasound Program of World Federation for Ultrasound in Medicine and Biology [WFUMB] and Asian Federation of Societies for Ultrasound in Medicine and Biology [AFSUMB] was held in the BIAM Foundation, 63 New Eskaton, Dhaka on 1 & 2 March 2024, Friday & Saturday. **Prof. Iwaki Akiyama**-Japan, President of AFSUMB & Secretary of WFUMB; **Prof. Kanu Bala**-Bangladesh, Director WFUMB COE Bangladesh; **Prof. Kwok Yin Leung**-Hong Kong, AFSUMB Education Committee Chairman; **Prof. Masayuki Kitano** – Japan, Treasurer AFSUMB; **Prof. Quan P. B. Nguyen**-Vietnam, President of VSUM; **Prof. Yogendra Man Shakya**-Nepal, HOD Tribhuvan University; **Prof. Dinesh P. Singh**-India; **Dr. Rajas Chaubal**-India; **Dr. Ravi Prakash**-India; **Dr. Raj Kumar Singh**-India joined the workshops as Resource Personnel. BSU's President **Prof. Mizanul Hasan** formally inaugurated and concluded the program.

It was a “Leading Edge Ultrasonography” program with many new useful topics. Areas covered were [a] Fetal Anomalies, [b] Gynecology, [c] Hepatobiliary and Spleen, [d] Renal System, [e] Transrectal Ultrasound, [f] Neck Ultrasound, [g] Fusion Imaging & Photoacoustic Imaging, [h] Contrast Ultrasound [i] Molecular Ultrasound. A number of ‘Patient and Probe’ Sessions were operated by the Foreign Faculty and a Competent Local Faculty. We used ‘Split Image’ techniques to display images, patients, and operators simultaneously.

Participants from all over Bangladesh joined, enjoyed and benefited by the workshops. More than 200 participants from Nepal, India, Japan, Hong Kong, and Bangladesh are enrolled. A Face Book Group named “World Ultrasound Center of Education” was inaugurated by the WFUMB President Elect in the year 2019 which touched mile-stone of 11,000 members. AFSUMB President and BSU President jointly celebrated the occasion.

The participants were evaluated and certificate of attendance issued. We would like to thank the WFUMB, AFSUMB, BSU for organizing such a beautiful and useful program for the ultrasound specialists of the region. The next program will be held on 14 February 2025.
