第十四届亚洲超声医学与生物学联合会大会暨中华医学会第二十次全国超声医学学术会议

Dear colleagues and friends,

First and foremost, we would like to sincerely thank you for accepting our invitation to attend the 14th AFSUMB congress.

With the escalation of the COVID-19 pandemic around the world, our Organising Committee, supported by the Asian Federation of Societies for Ultrasound in Medicine and Biology (AFSUMB), has decided to postpone the 14th Congress of the Asian Federation of Societies for Ultrasound in Medicine and Biology by one year to 9th-12th September 2021.

Our highest priority is to ensure the safety of our delegates, sponsors, speakers, and guests while delivering scientific information to the participants. We understand that the new schedule is more than a year away, but we would be honored if you are still willing to be our guest and join us for the 14th AFSUMB from 9th to 12th September 2021 in Beijing, China.

We wish you and your family good health.

Sincerely yours,
