

Guideline for abstract submission

Guideline for abstract submission

For all presenters

- The program committee will decide whether to accept your abstract and the appropriate presentation type. There are two presentation types; Oral or Poster presentation.
- The abstract must be fitted on one sheet of A4 up to 250 words excluding the abstract title, your name and institution/affiliation. Official language is English.
- Font: Times New Roman, 12 points
- It would be preferable to use MS word.
- The place, date, and time for oral presentation will be notified in the email of acceptance.
- Authors are required to disclose conflicts of interest prior to the submission of papers on subject matter of which a company, public agency, or organization has a financial interest. Please disclose conflicts of interest within your presentation materials.

For oral presenters

- The oral presentation is a general presentation. The presenter has 7 minutes to talk and 2 minutes for discussion. You need to display your presentation file on the screen using your PC or our PC. There is a PC reception desk for entry of your presentation data.

For poster presenters

- The poster must be within A1 size and in English.
- The poster presentation is a presentation using your poster. The presenter stands beside the poster on which his/her poster appears and discusses the research with interested attendees in the poster presentation session. The poster presentation session is for 55 minutes. You must bring your poster on the day.

Submission Deadline : Feb. 10, 2025 JST 15:00

Please fill out the abstract application form and send it to AsiaCORD2025 Meeting Secretariat by deadline.
