

EES2022 Program (Panel / Round table)

tentative (as of Nov. 11)

No.	Category	Session Topic	Chairperson	Moderator	Date	Start	Finish	Room
1	Anatomy	Exploration of the attic and supratubal recess (chorda tympani, pretymppanic space)	Jong Woo Chung	Brandon Isaacson	December 7	15:10	16:10	Room 1
2	Basic Research	From Otopathology to New therapy: Where we are and What we need?	Andreas Eckhard Judith Kempfle Masato Fujioka Chieri Hayashi Yenfu-Chen	Daniel Lee Masato Fujioka	December 5	14:00	16:00	Room 1
3		Drug delivery system and endoscope	Sho Kanzaki	Konstantina Stankovic	December 6	09:30	10:30	Room 2
5	Challenging cases	Endoscopic treatment of middle ear tumors	Ignacio Fernandez	Brandon Isaacson	December 6	15:40	16:40	Room 5
6		Endoscopic and Microscopic surgery for postoperative ears	Yukiko Iino		December 6	14:40	15:40	Room 5
7		Pediatric Cholesteatoma Tips and Tricks for difficult cases	Michael Cohen	Stephen Hoff	December 8	14:00	15:00	Room 1
8		Endoscopic Morbidity and Mortality: Complications	Mohamed Badr-El-Dine	Matteo Alicandri-Ciufelli	December 6	16:10	17:10	Room 2
9		Management of challenging cases in EES	Alicia Quesnel		December 7	10:40	12:10	Room 1
10		Scary cases in otology	Davide Soloperto	Jong Woo Chung	December 6	10:40	12:10	Room 2
11	Cholesteatoma	Cholesteatoma - What are the Limits of the Endoscope?	Stephane Ayache	In Seok Moon	December 6	14:00	15:00	Room 4
12		Cholesteatoma staging: Can it guide treatment or predict outcome?	Domenico Villari	Adrian James	December 8	14:00	15:00	Room 3
13		Recurrent cholesteatoma	Davide Soloperto	Kunio Mizutari	December 7	14:00	15:00	Room 3
14		Radiological surveillance of cholesteatoma	Alex Saxby	Yutaka Yamamoto	December 6	11:10	12:10	Room 4
15	Education	How to teach endoscopic ear surgery safely	Wai Tsz Chang	Lukas Anschuetz	December 6	10:40	12:10	Room 1
16		Tips and Tricks for Young Endoscopic Ear Surgeons	Hajime Koyama	Divya Chari	December 6	16:40	17:40	Room 5
17		Young Surgeons: The Future of EES	Marco Bonali	Elliott D. Kozin	December 6	15:40	17:10	Room 4
18		Teaching and assessment in Endoscopic Ear Surgery	Nirmal Patel	Kishiko Sunami	December 6	13:30	15:00	Room 2

EES2022 Program (Panel / Round table)

tentative (as of Nov. 11)

No.	Category	Session Topic	Chairperson	Moderator	Date	Start	Finish	Room
19	Ergonomics	Ergonomics in Ear Surgery	Maura Cosetti	Takeshi Tsutsumi	December 6	14:00	15:00	Room 1
20	Eustachian tube	Sniff-type patulous Eustachian tube in patients with cholesteatoma	Ryokichi Ikeda	Taisuke Kobayashi	December 8	10:10	11:10	Room 3
21	Extention	Transpromontorial approach to the IAC after 8 years: Expert opinions	Livio Presutti	Daniele Marchioni	December 6	10:10	11:10	Room 4
22		Usefulness of the Endoscope in Lateral Skull Base Surgery	Naoki Oishi	Jose Carlos Casqueiro	December 8	10:40	12:10	Room 1
23		Endoscopic cochlear implantation: Limits and indications	Michael Tong	Domenico Villari	December 6	10:10	11:10	Room 5
24		Pushing the Boundaries of Endoscopic Ear Surgery	Daniel Lee	Jong Woo Chung	December 8	15:00	16:00	Room 1
25	Facial Nerve	Endoscopic Management of Facial nerve palsy	Matteo Fermi	Ryusuke Hori	December 7	14:00	15:00	Room 4
26	Instrument	Use of Novel Disposable Endoscope with Integrated Suction (3NT Colibri)	Justin Golub	Michal Preis	December 6	11:10	12:10	Room 5
27		Optimizing bone removal during endoscopic ear surgery	Suetaka Nishiike	Justin Golub	December 7	10:10	11:10	Room 3
28		Technology assessment in endoscopic ear surgery: Present and future	Giulia Molinari	Raymond Ngo	December 7	11:10	12:10	Room 3
29	Kids	Endoscopic ear surgery in infants and very young children		Adrian James	December 8	11:10	12:10	Room 3
30	Malformation	Endoscopic Management of Congenital Conductive Hearing Loss	Davide Soloperto	Tsukasa Ito	December 7	15:40	17:10	Room 3
31	New Technology	Tympanic membrane regeneration using the endoscope	Hiroshi Ogawa	Shin-ichi Kanemaru	December 7	14:00	15:00	Room 1
32		Emerging Drugs and Devices in Tympanic Membrane Repair	Masahiro Takahashi (jikei)	Aaron Kyle Remenschneider	December 8	14:00	15:00	Room 2
33		Assistive technologies for endoscopic ear surgery	Nozomu Matsumoto	Lukas Anschuetz	December 6	15:40	17:10	Room 1
34		Middle ear measurement and AI-based diagnosis	Takuji Koike	Alexander Huber	December 6	14:00	15:00	Room 3
35	Office	In-office techniques for endoscopic ear procedures	Aaron Kyle Remenschneider	Nobuhiro Hakuba	December 8	11:10	12:10	Room 5
36	Outcome	Research Forum: Future directions for collaborative audit and research in TEES	Adrian James	Arunachalam Iyer	December 7	10:10	11:10	Room 4

EES2022 Program (Panel / Round table)

tentative (as of Nov. 11)

No.	Category	Session Topic	Chairperson	Moderator	Date	Start	Finish	Room
37	Regional	EES in Africa: a star is born	Mohamed Badr-El-Dine	Waleed Moneir	December 8	10:10	11:10	Room 5
38		Innovations in Otology in Japan	Hidemi Miyazaki	Juichi Ito	December 7	10:10	11:10	Room 5
39		Regional Update on EES in Spain	Jose Carlos Casqueiro	Francesc Larrosa	December 7	11:10	12:10	Room 5
40		Regional Update on EES: Italy	Livio Presutti	Daniele Marchioni	December 7	13:30	14:30	Room 5
41		Endoscopic Ear Challenges: Hear the Experts	Michael Hoa	Ken Kazahaya	December 7	14:40	15:40	Room 5
42	Stapes	Endoscopic Revision Stapes Surgery	Alejandro Rivas		December 7	15:40	16:40	Room 5
43		Risks and Benefits of the Endoscope in Primary Stapes Surgery	George Wanna	Alexander Huber	December 6	10:10	11:10	Room 3
44		Endoscopic management of traumatic stapes fracture	Tetsuo Ikezono	Jonathan Kong	December 6	15:40	17:10	Room 3
45	Surgical Technique	Underwater Endoscopic Ear Surgery Techniques	Daisuke Yamauchi	Nirmal Patel	December 6	11:10	12:10	Room 3
46		Nuances of EES ossiculoplasty	Arunachalam Iyer	Jong Dae Lee	December 7	11:10	12:10	Room 4
47		Endoscopic surgery for tympanic membrane perforations	Manuela Fina	Arunachalam Iyer	December 7	15:40	17:10	Room 4
48		Endoscopic double-handed technique	Yong Cui	Masato Fujioka	December 8	14:00	15:00	Room 4
49		Management of the Mastoid in the Era of Endoscopic Ear Surgery	Haruo Takahashi	Manuela Fina	December 8	10:10	11:10	Room 4
50	miscellaneous	Understanding the dissemination of otoendoscopy in ear surgery using Diffusion of Innovation Theory	Asitha Jayawardena	Christen Caloway	December 8	11:10	12:10	Room 4
51		Forum for research collaboration in endoscopic ear surgery	Judith Kempfle	Elliott D. Kozin	December 8	13:30	14:30	Room 5
52		Otitis media with ANCA-associated vasculitis-Current Status and Future Challenges	Naohiro Yoshida	Yuka Morita	December 6	13:30	14:30	Room 5
53	New Technology	Artificial intelligence in ear disease: The future of diagnostics and surgery	Maura Cosetti	Deepa Galaiya	December 8	14:30	15:30	Room 5
