5. Presentation Format

- * Oral presentations must be delivered using PC-based slides.
- * Please prepare your presentation using Microsoft PowerPoint.
- * If you are using a Windows PC, please bring your data on a USB flash drive.
- * If your presentation includes video content or you are using a Macintosh, please bring your own laptop.
- * The Presenter View feature cannot be used.

[Notes on Bringing Presentation Media]

- * Please bring your presentation data on a USB flash drive.
- * The conference PCs will be equipped with Windows 11 and Microsoft PowerPoint (Office 365 version).
- * Use only standard system fonts (e.g., Arial, Times New Roman) to avoid display issues.
- * If your presentation includes linked files (e.g., images, graphs), be sure to save all linked files in the same folder as your presentation. Please verify that your presentation works properly on a computer other than the one used to create it.
- * During your presentation, you will operate the slides yourself using a mouse connected to the podium monitor.
- * All presentation data submitted to the PC Preview Desk will be securely deleted after the conference.

[Notes for Presenters Using Their Own Laptop]

- * Please ensure that your laptop has a working HDMI output. If your device uses a different type of output port, you must bring your own conversion adapter (e.g., USB-C to HDMI).
- * Don't forget to bring your AC power adapter.
- * Please note that we cannot guarantee proper operation for iPads, Surface devices, or other tablet PCs.
- * As a precaution, please bring a backup copy of your presentation on a USB flash drive.
- * After confirming that your laptop functions properly, please submit it to the PC operator (next to the Next Speaker's Seat) at least 15 minutes before your session.
- * During your presentation, you will operate your slides using a mouse connected to the podium monitor.
- * To ensure smooth session flow, the Presenter View feature in PowerPoint cannot be used.
- * After your presentation, please promptly retrieve your laptop from the PC operator's desk in the session room.

To Presenters (Poster Presentations)

1. The poster session will be held in Exhibition Hall B on the 1st floor.

2. Presentation Format

There will be no chairperson-led facilitation during the poster sessions. Presenters are kindly requested to stand by their posters and present directly to attendees during the session.

Please note that no specific attendance time is designated, but presenters should remain near their posters during the scheduled session time.

Removal: Saturday, March 21, from the end of the poster session until 16:00

※ Posters that are not removed by the designated time will be disposed of by the conference secretariat.

4. Poster Display Instructions

① The poster panel dimensions are as shown in the diagram.

The abstract number will be prepared and posted by the conference secretariat.

② Please prepare your poster to include the title, presenter's name, affiliation, and presentation content, excluding the abstract number.

③ If your poster extends below the bottom edge of the panel, please ensure that it does not touch the floor.

④ Push pins will be provided in a paper cup attached to each panel. Please use only the pins provided.

To Early Career Researcher Award Candidates

The presentations for the Early Career Researcher Award will take place on Friday, March 20, the first day of the conference. Your oral presentation will be evaluated by the Program Committee, and the final awardees will be selected based on the content of the presentation.

The award announcement will be made during the Award Ceremony on Saturday, March 21, at 17:15. All candidates are kindly requested to remain at the venue until the award ceremony begins.

Disclosure of Conflict of Interest (COI) in Presentations

For all presentations at the 28th Annual Meeting of the Japan Human Brain Mapping Society, please indicate whether you have any Conflict of Interest (COI) to disclose.

This statement should appear at the bottom of the first slide of your presentation (the slide displaying the title, presenter's name, etc.). The format of the disclosure is flexible, and presenters may use any style they prefer.
