

# 2025 WORLD CONGRESS ON KINESIOLOGY & SPORT SCIENCE

JEJU, KOREA | Oct 25-27, 2025

Consensus of Kinesiology and Sport Science  
Healthy Living for Performance and Longevity

The 2025 World Congress on Kinesiology and Sport Science (2025 WCKSS) will be held at the International Convention Center in Jeju, Korea, from October 25 to 27, 2025. This congress aims to foster international collaboration, promote academic exchanges, and strive for a universally recognized nomenclature in the field of Kinesiology and Sport Science. ## WHAT'S HAPPENING?

### Scientific Conference

**The 15th International Conference on Kinesiology and Sport Science:** offers participants the opportunity for in-depth discussions, facilitating the exchange of knowledge and experience with global scholars. Attendees will explore the differences and commonalities between kinesiology and sport science and work towards establishing a unified academic system.

### KaSS Forum 2025

**The 1st Forum on Kinesiology and Sport Science:** 1) discuss a unique name to represent the discipline, which encompasses research and professional preparation in physical activity, exercise, fitness, sport, management, and related areas; 2) outline the steps needed to establish the Federation of International Society of Sport, Physical Activity, and Kinesiology (FISSPAK).
